All quotations are deemed withdrawn after two weeks, unless otherwise stated in the quotation.

2. Termination/Changes

Neither the Contract nor any related order may be terminated, cancelled or altered by Purchaser except upon terms acceptable to Seller, as evidenced in a signed writing by Seller’s authorized representative and Purchaser shall pay to Seller all resulting direct, indirect, consequential, incidental and other damages suffered by Seller resulting therefrom.

If a Product is rejected, notice must be given to the Seller no later than fourteen (14) days after the event, defect and/or non-conformance arose or is discovered which causes Purchaser to reject. Any rejection by the Purchaser must be in writing and state with specificity all defects upon which Purchaser will rely to support its rejection including photographs or other images, if possible, of the purported defects.

The Seller shall not be in default because of its delays or failure to deliver or perform under the Contract resulting, in whole or in part, from:

(ii) missing or non-complying deliveries from Seller’s sub-suppliers (but only for a period of up to 4 weeks) or the lack of labor or usual means of transportation, fires, epidemics, floods, explosions, strikes or other accidents, contingencies, or events, at the Seller’s or any sub-supplier’s plant or elsewhere (whether or not beyond Seller’s control) which directly or indirectly interfere with, or render substantially more burdensome, Seller’s performance; and/or

5. Payment

Unless otherwise provided in the Contract, payment by Purchaser is to be made within thirty (30) days of invoice date. If Purchaser fails to pay any invoice when due or if, in the judgment of Seller, the financial condition of Purchaser at any time prior to shipment does not justify the extension of credit, then Seller may require payment in advance or otherwise modify the payment terms upon notice to Purchaser. If Purchaser issues a purchase order having failed to confirm the actual packaging charges, Purchaser shall be responsible for the actual charges, if any, even if Seller accepts the purchase order. If the Products are changed or if Seller's costs increase in any other way due to circumstances caused by the Purchaser, Seller may at its sole discretion modify the agreed price in accordance therewith.
